PREPARATORY DEPARTMENT FOR FOREIGN CITIZENS

The Preparatory Department provides training for foreign citizens for further entry into higher educational institutions of Ukraine in the following subjects:

- Ukrainian language;
- Mathematics;
- Physics;
- Chemistry;
- Computer sciences;
- Technical drawing (for students who will continue studies at technical higher schools);
- Biology (for students who will continue studies at medical higher schools).

Educational groups contain 8-10 students.

The annual cost of studying based on the Ukrainian language is \$1500. The annual cost of studying based on the English language is \$1600.

Those persons who succeed in studies at the Preparatory Department receives appropriate certificates. Graduates of the Preparatory Department have the opportunity to continue their studies at the Lviv Polytechnic National University, along with other technical, medical, humanitarian higher educational institutions of Ukraine.

The cost of dwelling in a hostel is \$60 US per month.

To join the Preparatory Department, you must e-mail dfs@lpnu.ua the scanned copies of the following documents:

- passport;
- certificate on previous education;
- Application form for admission;
- consent to the processing of personal data;
- photography.

An invitation to study is sent to the candidate after the university makes an affirmative decision on his/her admission. Foreign citizens arriving for study must have with them:

- a complete set of documents on previous education (originals);
- medical certificate issued no later than three months before arrival in Ukraine;
- medical certificate about false-negative polymerase chain reaction (PCR) test for COVID-19 (done no more than 48 hours prior);*
- birth certificate.

Prior education documents have legalized under the law of the country in which they issued. The foreign citizen must notify the university in advance after obtaining a visa to study the date of arrival, flight number (train number in the carriage).

* This document can be cancelled by the appropriate decision of the state authorities of Ukraine
