

Argen Partners is seeking a talented Financial Analyst to join its team in a part-time position

Argen Partners (www.agen.partners) is a leading Mergers & Acquisitions (M&A) advisory firm operating throughout Central and Eastern Europe with a particular focus on serving clients from Nordic countries.

The scope of our activities includes M&A advisory services and capital raising.

As a Financial Analyst, your primary responsibility will be to analyze companies' financial statements, provide valuable insights, and contribute to decision-making processes.

Key Responsibilities:

- Conduct a comprehensive analysis of financial statements to assess the company's financial standing.
- Prepare detailed reports and presentations, presenting findings and recommendations to internal stakeholders and international investors.
- Collaborate with colleagues from across Central and Eastern Europe to ensure project objectives are met.
- Initiate and participate in meetings with potential acquisition targets in Ukraine.

Requirements:

- A good grasp of finance, economics, and accounting.
- Proficiency in MS Excel for data processing and analysis.
- Sound research and analytical skills.
- Excellent communication skills, both written and verbal English.
- Hard-working entrepreneurial attitude.

Employment package:

- Part-time employment of one-day-a-week equivalent that can be a supplement to studies or other work.
- Flexible working schedule from home.
- Contract for at least six months with a possibility of prolongation.

- Fixed monthly remuneration and a bonus at the end of the contract term.
- Paid business trip expenses.

Hiring process:

- HR interview (45-60 min, in Ukrainian and English).
- Interview with a hiring manager (30-45 min in English).

This role offers an exceptional opportunity to gain exposure to international finance, work with international investors, and be part of a the small and friendly team of seasoned finance professionals.
