

Congratulations!

We invite you to the online round table "**Economic dimensions of the impact of sanctions on the aggressor country**".

Date and time: June 15, 16:00-18:00 Kyiv time.

Format: online ([Zoom](#)).

Organizers: [NGO "National Interests Advocacy Network "ANTS"](#)

Languages of the event: Ukrainian and English. Speeches of foreign experts will be provided with translation.

Questions for discussion:

- Have the sanctions adopted since February 24, 2022 affected the Russian economy?
- How was the Russian economy transformed starting from 2021-2022?
- A change in Russia's key economic partners - did it happen and what are the real reasons for the increased flows?
- Is it possible to increase the pressure on the Russian economy by strengthening control over the key trading partners?
- What sectors of Russia are the most sensitive to sanctions and how to strengthen the influence of sanctions on the possibility of waging war against Ukraine?

Discussion participants:

Nazar Hlynskyi, Doctor of Economics, Professor, Department of Marketing and Logistics, Lviv Polytechnic National University

Serhii Semiv, Doctor of Economics, Assoc., professor of the Department of International Economic Relations, Lviv University of Trade and Economics

Nataliia Moroziuk, PhD, Researcher, Department of Urban Planning and Environment, KTH Royal Institute of Technology, Sweden
