**International Scientific and Practical Conference  
of Students of the Third (Educational and Scientific) Level of Higher Education  
“Actual problems of professional pedagogy and education:  
experience, innovations, perspectives”**

**25 April, 2024**

**DEAR PhD STUDENTS AND SCIENTIFIC ADVISORS!**

The organizing committee invites you to take part in the **International scientific and practical conference of students of the third (educational and scientific) level of higher education “Actual problems of professional pedagogy and education: experience, innovations, prospects”**, which will be held on **25 April, 2024** at Lviv Polytechnic National University (Lviv, Ukraine).

Scientists, post-graduate students, teachers and students (under the supervision of academic advisors) of higher education institutions and research institutions are invited to participate in the international scientific-practical conference.

**Conference languages:** Ukrainian, English.

**The goal of the conference:** the involvement of PhD students of all specialties in the discussion of topical issues regarding the use and implementation of innovative methods of training a modern competitive specialist in the system of higher and vocational education and professional pedagogy in the context of educational European integration and the formation of research competence of those obtaining the third (educational and scientific) level of higher education, exchange of practical experience regarding the improvement of the educational process, the formation of professional and pedagogical competence of students of the third (educational and scientific) level of higher education, raising the level of scientific works, coordinating scientific research, their activation and proper presentation, as well as establishing contacts and developing cooperation among scientists of the Lviv Polytechnic National University with scientists from educational institutions and scientific institutions of Ukraine and other countries.

**MAIN DIRECTIONS OF CONFERENCE**

**Section 1.** The theoretical and methodological foundations of modern higher and vocational education.

**Section 2.** Innovative technologies for training a professionally mobile student in the context of European integration processes.

**Section 3.** The legal, socio-psychological, humanitarian aspects of training content implementation of a modern higher education graduate.

**Section 4.** The peculiarities of organization and implementation of the pedagogical process in institutions of higher education under martial law.

**Section 5.** The role of educational management in the training of a professionally and academically mobile specialist.

## THE PROGRAM OF CONFERENCE

09:30–10:00 – registration of conference participants  
10:00–12:30 – plenary meeting  
12:30–13:30 – break  
13:30–16:00 – meetings in sections.  
16.00–16.30 – final plenary session.

The conference will be organized in a **blended format** (depending on the military situation).

The materials of the conference will be posted on the official website of the Lviv Polytechnic National University.

Participation in the conference is confirmed by **an electronic certificate**.

Participation in the conference is **free of charge**.

Electronic certificates will be sent to participants by **25 May, 2024**.

### **Venue of the conference:**
