Position: New Opportunities at Goldman Sachs: Summer Internship, Off-Cycle Internship, New Analyst Programme

About us:

Goldman Sachs is a leading global investment banking, securities and investment management firm that provides a wide range of financial services to a substantial and diversified client base that includes corporations, financial institutions, governments and high-net-worth individuals. Within Goldman Sachs, our Technology Division is responsible for full life-cycle systems implementation through our worldwide operations. Our frontline technology business units are aligned to specific client businesses—sales and trading, banking, investment management and investment research—as well as firmwide operations such as legal, compliance, controllers and human capital management.

Our Warsaw office is located in the Warsaw Spire building, opened in 2016.

We offer:

Summer Internship – 9-10 weeks (July-September)

Off-cycle Internship — 3-12 months
(3-5 days a week)

New Analyst Programme - full-time
employment for graduates

As a growing office, we are looking to expand our teams in the following areas:

- Engineering
- Operations
- Compliance
- Legal
- Corporate Treasury
- Risk
- Internal Audit

This is an exciting time to join the Warsaw team.

Who Do We Look For:

We welcome students from a variety of academic and cultural backgrounds who have an interest in pursuing a career in the financial markets. We also look for:

- Strong analytical and organizational skills;
- Excellent interpersonal and communication skills;
- Highly motivated and adaptable individuals with the ability to work in a diverse team;
- Proactive individuals that respond creatively in a fast paced and continually changing environment; and
- Detail-orientation with sound judgment and integrity
